EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Regarding the specification, page 1, the first paragraph beginning at line 1; as previously amended by the Preliminary Amendment filed 10/16/03, was replaced with the following new paragraph to include the current status of the divisional application and foreign priority as follows:

--This disclosure is a divisional of U.S. Patent Application 10/045,019, filed April 15, 2002, now Patent number 6,736,236 issued May 18, 2004, which further claims priority based on Application No. 2001-9384, filed in Japan on January 17, 2001.--

2. The following is an examiner's statement of reasons for allowance: none of the references found alone or in combination disclosed an electric power steering controller having a steering control means with a road surface reaction force torque parameter feature in combination with the other distinctively claimed features as claimed in instant claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
